NEARING END IN CANADA

THREE MORE MEETINGS THIS SEASON ON CANADIAN RACING ASSOCIATIONS TRACKS.

Season Will Come to Close at Woodbine September 30-Additional Tracks Likely for Next Season Horsemen Making Plans for Winter.

Hamilton, Ont., August 21.—The meeting of the Hamilton Jockey Club, which closed on Saturday was unquestionably the most successful in the history of racing at this point. It is the purpose of the Hamilton Jockey Club to immediately proceed with plans for the replacing of the temporary grandstand that took the place of the one recently burned with a fine modern steel structure. Only four more meetings remain to be run before the Canadian racing season comes to a close at Woodbine track. Toronto, September 30. One of these is on the half mile track at Dufferin Park, Toronto, September 9 to 16, which dates parallel those of the Montreal Jockey Club's fall meeting. The Windsor meeting will open on Monday next and continue until and including Labor Day. The Woodbine meeting of the Ontario Jockey Club which will bring the season to a close, will begin September 23.

Because of the presence of many formidable stables on the circuit and the considerable amount of idle time entailed by the lapses between meetings, the smaller strings that have raced in Canada this season have found it rather difficult to make expenses. It is reported that a more compact schedule will be provided next year by the addition of new tracks, including that of the Ottawa Jockey Club, which will be affiliated with the Canadian Racing Associations. It is said that Robert Davies expects to build a new track at Niagara Falls is likely to materialize.

Horsemen racing on this circuit are beginning to give some consideration to plans for winter racing.

proposed new track at Niagara Falls is likely to materialize. Horsemen racing on this circuit are beginning to give some consideration to plans for winter racing. One hears little of the Charleston, S. C., proposition and the presumption is that the proposed new track at that place will not become an actuality this season at least. Many of the horses now racing in Canada probably will be shipped to Cuba to race at H. D. Brown's new track. This track is located at the edge of the city limits of Havana on the Almandares river, much nearer Havana than the old Almandares track. The first application for stable room at the Havana track was received from J. S. Everman, who wrote from Kentucky asking that quarters be reserved for him at the new Cuban course.

Everman, who wrote from Kentucky asking that quarters be reserved for him at the new Cubar course.

Many of the horsemen here are talking of splitting their stables at the conclusion of the Canadian meetings, sending part to Pimilico and part to H. D. Brown's new track at Laurel. Joseph McLennan, who will act as racing secretary at Laurel, and Harry White, who will also be one of the officials at the new track, are booking stable room for owners here. Mr. McLennan is also looking after H. D. Brown's Havana interests.

S. C. Hildreth may send some of his horses to Cuba the coming winter, but that has not been definitely decided upon as yet. Jockey C. H. Shilling is still at his home in Texas, and the chances are that he will not return north until the opening of the Pimlico meeting. Next year he will go abroad and Mr. Hildreth may accompany him unless the New York situation takes a turn for the better, John W. Schorr contemplates culling out his stable. He will not personally engage in racing the coming winter, but will remain in Tennessee. He plans to turn half a dozen horses over to John F. Schorr to race in Cuba. The stable has done fairly well in Canada this summer. At the conclusion of the Toronto meeting the horses probably will be sent back to Kentucky.

George Odom will leave for Kentucky at the conclusion of the Windsor meeting. After the Kentucky meetings close he will campaign his stable at Juarez. John C. Ferriss is another who has already announced his intention of shipping to Juarez. Max Hirseh will also ship to the Mexican track.

W. C. baly will ship his stable to Havana for the winter.

ing, the four-miles Kentucky Endurance Stakes, scheduled to be run Saturday, October 7, will be the richest event of the American turf this season, and probably will be worth close to \$10,000 to the winner. It will be the first four-mile race decided at Churchill Downs in over thirty years. The last race run here at that distance was in September, 1880, when Jim Malone, a three-year-old chestnut colt by Hiawatha-Mollie W., with ninety-five pounds up and ridden by Downing, was the winner. The race was called the Merchants' Purse and was worth \$1,000, of which \$750 went to the winner, \$125 to the second, \$75 to the third and \$50 to the fourth horse. The six-year-old Gen Phillips, 118 pounds up and ridden by Wolfe, finished second, and Belle of Nelson, five years old, carrying 115 pounds and ridden by Stone, third.

TO INVESTIGATE SECRETARY'S AFFAIRS.

Lexington, Ky., August 21.—Chairman E. F. Clay has called a meeting of the Kentucky State Racing Commission to be held here next Wednesday morning, at which an investigation into the mysterious disappearance of Secretary W. E. Bidwell, the condition of his office and the commission's bank account, which was entrusted to the secretary, will be made. Mr. Bidwell has not been heard from by any member of the commission for about two months and his present whereabouts is unknown to them. If he does not put in an appearance by Wednesday morning the office will be deelared vacant and his successor probably will be closen.

ANACONDA GRANDSTAND BURNED.

Butte, Mont., August 21.—The entire plant of the Anaconda Jockey Club, with the exception of the fences and stables, was burned to the ground Saturay night. It was at first thought that the meeting which was scheduled to open next Friday would have to be abandoned, but the directors have decided to build a temporary stand and betting ring at once. A featureless card provided good racing for one of the best Monday crowds of the meeting. The winners were hard to guess. Two of the public choices scored and the layers had much the better of the daily argument.

scored and the layers had much the better of the daily argument.

H. I. Wilson announced today that notwithstanding the burning of the grandstand, betting ring and paddock at Anaconda Saturday night, the meeting at that place would run as scheduled. A large force of men working night and day will be able to build a temporary stand, ring and paddock in time for the opening on Friday next.

Sixteen, favorite for the second race, was excused by the judges on account of a severe attack of colie shortly after the betting was posted and twenty minutes was allowed for the making of a new book in consequence thereof.

Jockeys Hopkins and Rosen were suspended for a week by starter Dwyer for disobedience at the barrier in the second and third races, Jockey Rooney was fined for the same offense in the third race.

GOOD HORSES FOR HUNT CLUB RACING,

Baltimore, Md., August 21.—The Maryland United Hunts committee has no reason to complain of the way the horsemen regard the coming meeting, August 31, September 2 and 4. Pimlico is filling up with a class of thoroughbreds better than those previously seen at Hunt races, and from present indications over 200 horses will be on hand.

Some of the recent arrivals comprised a carload from Belmont Park, headed by Charles Pfizer's grand old jumper, Herculoid, looking fit and ready. With him came Rosshampton, which is said to have shown an aptitude for the cross-country game for which his fine size and unmistakable quality seem to fit him. The Hermence mare, Ross F. belonging to S. L. Josephthal, was also in the consignment. A trio that attracted attention was Brendan, Noseray and Faultless, the property of Henry W. Warner's tolking the first time Mr. Warner's colors, pink, green sash and sleeves, have been seen at Pimlico.

The string of R. W. Walden, consisting of eleven.

rink, green sash and sleeves, have been seen at Pimlico.

The string of R. W. Walden, consisting of eleven, mostly two-year-olds, arrived on Friday, and Dr. Tyree will ship his entire lot of fourten direct to Pimlico from Hamilton.

In addition to the above Silas Veitch will bring six jumpers from Belmont Park, John Hynes twelve, James McLaughlin five. Lieutenant Charles K. Rockwell six belonging to himself and other officers of the United States Army, William Keating two, O. F. Sweeney two, Whip Top and Black Chief, and Steve Billings the two-year-old Hermis colt, Little Red.

J. Merryman Black, an amateur rider, has five at the track. Including a likely looking three-year-old chestnut gelding by the California-ired formaster (Brutus—Forma), out of the old steeplechaser, Beval, that will be schooled for jumping.

The officers for the meeting will include William P. Riggs, presiding judge; Frank J. Bryan, elerk of the course; Elmer Wilson, starter; Charles K. Harrison, steward.

BRILLIANT OUTLOOK FOR WINDSOR.

More Horses Will Gather There for Next Week's Racing Than at Summer Meeting.

Racing Than at Summer Meeting.

Detroit, Mich., August 21.—A special train from Hamilton last night brought more than one hundred horsemen and followers of racing for the Windsor ronning meeting which will open next Monday. A larger number of turfmen were prevented from coming to Detroit this morning by reason of notices posted in the Hamilton hotels that Detroit hotels were taxed to their capacity this week on account of the Moose convention and to delay their start for this point as late in the week as possible.

Walter O. Parmer, secretary of the Windsor Association, who was at Hamilton with President George M. Hendrie during the last few days, said upon his return last night:

"There will be two hundred more horses stabled at the Windsor track during the next two weeks than we had to care for at the summer meeting. The later meetings on the Canadian circuit have been great—that is the only word to express it—and there is no reason to suspect that the autumn sport at Windsor will be any exception to the rule. The average attendance at Hamilton last week was 7,500 and on no day were there less than thirty-five books coing business. A train load of New Yorkers turned in the direction of the eastern metropolis after the races Saturday because of the admonition that the Detroit hotels were filled up this week with convention people, but this group will be in town next Saturday or Sunday in time for the opening across the river. We expect as many, and perhaps there will be more, layers in line than at Hamilton.

"S. C. Hildreth, who fancied his horses had gone stale, intended to ship his stable to Sheepshead Bay to rest when I left him Saturday evening, but I find upon arrival here a dispatch asking us to prepare for his use the stables he occupied during the summer meeting, as he will ship to Windsor tomorrow. Almost every other notable string in the country will also be here either Tuesday or Wednesday."

KING COBALT GOES TO BREEDING BUREAU.

KING COBALT GOES TO BREEDING BUREAU.

Montreal, Que., August 21.—Grant Hugh Browne of New York passed through here last week on his way to St. John, N. B., and called on J. F. Ryan to donate the thoroughbred stallion King Cobalt to the Canadian National Bureau of Breeding.

So good a student of breeding as "Hidalgo" pro nounced King Cobalt the most choicely bred sire in America in an article recently published.

"My idea of a thoroughbred stallion." said he, "is one with fourteen Eclipse, fourteen Herod and four Matchem crosses, but I cannot find them, al though I tabulate from two to five stallions every day of my life. The nearest thing I have been able to find approaching my ideal is a horse standing in Orange County, New York, called King Cobalt. He is by Cesarion, and at the sixth remove he shows sixteen Eclipse crosses, fourteen of Herod and two of Matchem. If he does not get anything cles he will produce sound and enduring horses for his owners.

"As for his sire, Cesarion, he is to me the wonder of all stallions I have ever heard from as a sire of early speed. Nineteen two-year-old winners in 1909, nineteen more in 1910, and eleven this year, making a total of forty-nine in three seasons. I have never heard of anything approaching him in either Europe or America."

King Cobalt is a brown stallion six years old, by Cesarion, dam Estelle Whitney. He is a beauty in conformation and will join the Bureau exhibits at the Ottawa and Toronto fairs. As a race horse he made a good record on the New York tracks. He has been at the Brownleigh Park farm of Mr. Browne at Goshen, N. Y., this season and was mated with a few selected mares.

The horseman who has donated this horse to the National Bureau is well known in the United States and in Europe as well as in Canada. On the turf he has been noted for doing big things. One thing that brought him into prominence was when he sent five mares to France to be mated with Flying Fox at a fee of 500 gulneas each. On another occasion he paid \$30,000 for the English steepleh

GOOD PROSPECTS FOR MONTREAL MEETING.

Montreal, Que., August 21.—All of the horsemen who have applied for stabling for the fall meeting of the Montreal Jockey Club. from September 9 to 16, have been notified of their being allotted stalls. The number of stalls at Blue Bonnets enables the club to look after all comers and to stable them or the track. This week will bring considerable activity, as many strings will be shipped here to rest. The horses owned by August Belmont will leave Hamilton on Wednesday, according to a letter from trainer John Whalen, and will arrive here on Thursday next. The horses trained by Willie Martin, Ernest Heider. J. W. Dayton and a number of the Canadian-owned strings will leave Hamilton on Monday and will arrive at Blue Bonnets Tuesday. The track continues in good condition and the work of the horses now housed at the course improves each day. Trainer Matt Feakes, who has charge of the stable owned by Mrs. L. A. Livingston, is hustling Lovetie along. He gets his work regularly and has shown great improvement during the past week. Lovetie has shown some good trials recently and will be ready to start here and at Toronto. The King's Platers are gradually improving and the contest this fall will be the best that has ever been run for this event in the Province of Quebec. C. S. Campbell, who has an entry of two in the plate, has written asking jockey Phil Goldstein to ride for him. The Provincial Nursery Stakes, which is for two-year-olds and run as a preliminary to the plate race next season, will see a fair lot go to the post. In this the first of the get of Bushmount, an imported stallion, will start. This is Fred Cowans, owned by Charles McEachran. There will be more races for steeple-chasers at this meeting than previously, one being scheduled for each day, while on Friday and Saturday, the last two days of the meeting, two races inrough the field will be run. This is given as an added attraction to owners of jumpers, making a total of nine events for them.

The present outlook gives promise of this being the banner m

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

J. N., Chicago. The bet on the Stevens entry was draw, Icarian having been sold to another owner and Acolin, scratched.

H. A., Denver, Col. The parlay won as a single lace bet on the horse that ran second at 2 to 1, eing void as to the horse that was scratched.

J. T. O., Nashville, Tenn. Sidney Lucas was always Sidney Lucas. Clifford was another and a more famous race horse. Sad Sam was a two-year-old in 1900.

E. O. Cincinnati, O. There being no such horse s Charles Mitchell entered in any race that day it a fair inference that Robert Mitchell was the orse you meant and if he had won you would have spected payment.

Pat Chicago, New Orleans, La. In 1904, the last year of racing at the track, Burleigh won a race at Washington Park in which he defeated Birch Broom, Fred Leppert and Incubator, no others starting, and this being the only race he ever won there.

C. L. B., Butte, Mont. You can easily may your own computations by subtracting or addition a stated distance in the tables to make it fractions not appearing. For instance, 12 secon from a half at :48 gives you :36 for three-eighths.

F. M., Cincinnati, O. The parlay lost because Ben Loyal lost. If in your bet you had named the first race in which he was entered it would have been a draw as to him and a winner on Follie Levy and Sticker. But neglecting to name the race made the parlay attach to Ben Loyal in which ever race he was started and so a loser.

DR. TYREE THINKS HE HAS A GOOD ONE.

Washington and Baltimore lovers of racing may be treated to an interesting special race not on the program at the coming autumn meeting of the Maryland Jockey Club at Fimlico, which opens October 7. If this race occurs it will be of peculiar interest to Washington people, for the persons interested are well known here.

Coming down on the train from Fort Erie, where a race meeting ended recently, were Dr. J. S. Tyrce and "Billy" Garth, probably the best known trainer of thoroughbreds in Virginia. "Billy" has been very successful this season with his two-year-olds and has shown some handy young racers. His horses have won more than thirty races in Canada and naturally the big Virginian is somewhat elated over his success. It was he, too, who sold what is regarded by horsemen as the best two-year-old of the season in Canada, a youngster called Puggins, by Fatherless.

Garth and Tyree got to discussing the merits of the two-year-olds and the former banteringly sugested that Dr. Tyree ddin't have any horse in his stable that could beat one of his, although the doctor showed two of the best of the younger division at Pimlico in Yorkshire Boy and Astrologer.

"Bet you \$5,000 that I have a two-year-old in my stable that has never started that can beat any horse you have," exclaimed Dr. Tyree.

"You're on," said Mr. Garth.

Thereupon the two, drew their checks and placed them in the hands of a stakeholder. It was agreed that the special race should be run at the Baltimore track some time during the autumn meeting, Dr. Tyree would not disclose the name of his racer, but he asserted with confidence that the colt can beat any two-year-old seen this season.—Washington Post.

MORE AMERICAN SUCCESSES IN FRANCE.

Paris, France, August 21.—Yesterday, Grand Prize day at Trouville, was dominated by Americans, as an American jockey, Winnie O'Comor, piloted to victory Basse Point in the Grand Prix of \$20,000. Of the sixteen horses which started in the big race four were ridden by American jockeys, O'Connor, Nash Turner, Milton Henry and J. Rieff. The second and fourth races of the day were won by William K. Vanderbilt's Reinhart and H. B. Duryea's Burglar. The winner of the first race of the day was ridden by Rieff, of the second by O'Neill, of the fourth by O'Connor and of the fifth by Rieff.

Deauville, France, Aug. 21.—American-owned horses won first honors in three races and captured second prize in another race here today. Frank J. Gould's Jarretiere won the Prix de Meautry of \$1,000, distance five furlongs, and the same owner's Justinien II. finished second in the Prix de Blonville of \$600, one mile. The Prix du Montcanisy of \$2,000, distance one and one-fourth miles, was won by Engene Fischof's Catagnette. Rainoire, owned by W. K. Vanderbilt, won the Prix de la Tourques of \$1,000 for two-year-olds at six furlongs.

RACING GOSSIP FROM THE EAST.

New York, August 21.—Matt Allen has no intention of letting up on his horses, as he intends, if any meeting occurs hereabout this fall, to be ready. His horses all look robust and healthy and are within a few sharp moves of being up to their best form. The Kohler horses, which Mr. Allen took over a few weeks ago, are all doing nicely, especially Chickasaw, now a grand-looking four-year-oid.

Archie Zimmer has been looking about for some new material for fall and winter racing. He has priced a few horses.

Frank Regan, who has been going along patiently with Ardri, has him up and going as good as ever. He gave him a good rest and also went over his legs with a few good blisters. There is not a blemish on him now.

Frank Frisbie has given up the idea of shipping Pharaoh and Appassionata to Canada and has let up on both of them. He will race at Pimlico.

NO FURTHER KEENE-WHITNEY DEAL.

Lexington, Ky., August 21.—Trainer James Rowe and Dr. R. W. McCally arrived here from New York last night and spent today at Castleton Stud in specting the thirty yearling fillies purchased by Harry Payne Whitney from James R. Keene several weeks ago. The twenty-seven colts that were included in the purchase were shipped to Brookdale Farm some time ago, but the fillies, for the reason that there was a scarcity of stalls on the New Jee farm at the time, were left at Castleton. Tra Rowe found them in "nod condition and will arra for their shipment east within the next few days. Asked concerning the report that Harry Payne Whitney and Lewis Thompson had closed a deal with James R. Keene for the purchase of the produce of Castleton Stud for five years or if any deal between them contemplates the purchase of Castleton Farm of 1,106 acres and the stud of thoroughbred mares and stallions, Mr. Rowe said: "Insofar as I am aware there is no foundation for those reports and I am at a loss to understand how they were started. Mr. Whitney has never intimated to me that he has any intentions in the direction of a purchase of any of Mr. Keene's thoroughbreds other than the yearlings he has already bought."

Mr. Rowe said that the yearling colts from Castleton Stud now at Brookdale Farm are doing famously, and he expects the usual number of good racers to come out of the collection. He and Dr. McCully will return to New York in a day or two.

NOTES OF THE TURF.

M. Foster claimed Acumen on the occasion of his clast start at Butte.

W. O. Parmer's Edenwold yearlings are to be disposed of at private sale this year. They are now stabled at the Windsor track, and are a fine looking and highly bred lot.

and nightly bred lot.

Frank J. Gould, on his return from France, where he has been racing an extensive string of horses wifting great success, expressed regret that the sport had to be so harassed in this country. "A shame, isn't it, that racing has been driven from our own country, the finest place in the world," he commented.
